CHAIRMAN'S STATEMENT

Dear Fellow Shareholders,

The year passed had been a year of business consolidation resulted in right sizing across all business functions; to regroup then FOUR sub business units to TWO presently namely, Health Care Management System(HCMS) and Information System Engineering Services(ISES) the core businesses of the company. The derived benefits were substantial for a bright future ahead for all of us because we had become debt free with the banks.

The part of our Strategic Electronic Division business of delivery of High-End multi layer bare PCB's for Aerospace and Defence segments were added to ISES group.

This division is expected to grow well in the current year reflecting Government initiatives in Aerospace in and Defence sectors.

Our 2 Inch Thermal Printers with integrated Bluetooth and Biometric are well accepted in the Micro-Finance and Aadhar verification The Medical Devices market will continue to be import led, although the current drive to develop the local manufacturing industry is likely to result in increased competition from domestically produced devices in the longer term. On the social front, health and wellness awareness is increasing by the day and the next generation products aimed at harm reduction. The Consumer awareness likely to further increase for improving health standards, your Company is looking to strike a fine balance between the twin objectives of business growth and legal compliance.

India is a land full of opportunities for players in the Medical Devices industry. Besides, Indian medical service consumers have become more conscious towards their healthcare upkeep. Thanks to India's economic growth and a rise in penetration of medical insurance, the 400 Million plus middle class population of India can now afford almost any of its healthcare needs and that drives in need of more and better hospitals and clinics, which would require more medical devices Such a scenario presents immense opportunities for players in the medical devices business. The changing disease prevalence pattern (e.g. early onset of diabetes and heart diseases); growing awareness among the middle class to focus on early detection and disease prevention and Medical Insurance Companies working with equipment manufacturers to develop cost effective and reimbursable diagnostic packages are DIRECT MARKET DRIVERS. This also strengthens WHO recommendations in the Priority Medical Devices Project which suggests development of affordable health packages containing simple technologies for measuring blood pressure, blood glucose and cholesterol levels. Another interesting trend is observed in the realm of OPD reimbursements. The insurance companies are going to focus a lot on prevention and diagnostics in the coming years resulting in higher demand for medical electronics. The Device manufacturers will continue to face pricing pressure which will drive them to innovate and differentiate.

The report, "Indian Medical Device Market Outlook to 2017", predicts INDIA as one of the fastest growing medical devices markets as in the world". Our HCMS Division is interestingly poised to take this changing scenario as an opportunity to derive the maximum advantage with the basket of business offering of Devices, Implants and Disposables with additional demand from the Private Hospitals and clinics in tier II and III cities will help penetrate the Indian market better.

We continue our sustaining efforts to reinforce the TWO business segments which will take us in the value addition curve with our services and to look forward to achieving all shareholder objectives and advancing our standards, through the continued trust of our consumers, partners, shareholders, well-wishers and employees. I would like to express my gratitude to you all for your incessant support in all our endeavors. The continued support from all our stakeholders is our unbreakable strength; I would like to thank all for their valued support in these challenging times. It will be our pleasure to also thank the Board of Directors, the key management personnel and our employees who are focused and committed towards taking the company to walk in to a better future.

Sincerely

P.V.Chandrasekar

Managing Director.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Advanced Micronic Devices Limited, Bangalore

Report on the Financial Statements

We have audited the accompanying (standalone) financial statements of Advanced Micronic Devices Limited ("the Company") which comprises the Balance Sheet as at March 31, 2015, and the Statement of Profit and Loss for the year then ended, and the cash flow statement for the year ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the (Standalone) Financial Statements

The company's Board of Directors are responsible for the matters stated in section 134(5) of the companies act 2013 ("the Act") with respect to preparation and presentation of these financial statements that give a true and fair view of the financial position and financial performance and cash flow of the Company in accordance with the Accounting Standards referred to under section 133 Of The Companies Act 2013 read with Rule 7 of the companies (Accounts) Rule 2014. This responsibility includes the maintenance of adequate accounting records in accordance with provisions of the act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies ; making judgment and estimates that are reasonable and prudent ; and design, implementation and maintenance of (adequate) internal financial controls, that were operating effectively for ensuring the accuracy and completeness of accounting records, relevant to the preparation and presentation of the financial statements that gives a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standard and the matters which are required to be included in the audit report under the provisions of the Act and Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under subsection 10 of section 143 of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion whether the company has place an adequate internal financial controls system over financial reporting and operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone financial statements.

Basis for Qualified Opinion

1. During the course of audit we have observed that company has stock of Terminal and Multi Para Patient Monitors were non moving resulted in not being sold aggregating to Rs.18.44 crores.
2. Similarly we have also noticed bills receivable amounting to Rs.17.79 crores are not realised for more than 360 days as on March 2015 continue to be unrealised as on September 2015.

Which includes non-moving stock and unrealized Debtors covered under stock audit report of Subhas Patil & Co , for financial year 2013-14 a firm of independent chartered accountants appointed by State Bank of India . We had qualified our audit report regarding non_moving stock terminals and multi para patient monitors not being sold amounting to Rs.17.47 crores and Rs.19.67 crores long outstanding receivables for more than 180 days for the financial year 2013-14.

In response to our qualification , the management had given reply that they will modify the terminals and multi para patient monitors and sell them in developing countries. On perusal of balance sheet of the company, position remains the same as on the date of report.

Also Company has not obtained confirmation of balances of debtors outstanding as on 31.03.2015.

Accordingly company has not made provision for bad and doubtful debts .

Had the same been accounted for the net loss for the year ended 31.03.2015 would have been higher by Rs.36.23 crores and Networth of the company would have been negative.

3. We also observed that Company has a branch at U S A. This branch has not been audited by any other independent auditors for any financial year and also the company has not produced any records for our verification to check the correctness of the entries. These entries are certified by management, where in the branch share of assets are Rs.5.42 crores Our report in so far it relates to the amount included in respect of the branch is based solely on financial statements certified by the branch management. In the absence of independent audit we are unable to comment on correctness of unaudited results of the above mentioned branch..
4. During financial year 2013-14 , the Indian subsidiary , Advanced Micronic Devices Limited had opted for VCES scheme under service tax act for its service tax liability outstanding for the period October 2007 to December 2012 . This pertains to its Delhi branch and Bangalore branch. However during the survey conducted by service tax intelligence at its Delhi branch on 29/6/2013 , it was found that the company had utilized cenvat credit of Rs.0.80 crores for payment of service tax liability of Delhi branch under VCES scheme. This credit was disallowed by service tax intelligence and the company was issued a Show cause notice. The company has filed a reply before Commissioner of Service tax Delhi. If the reply is not favorable to the company , company will be liable to pay interest and penalty on such amount. Under such circumstances they are not eligible for claiming benefit under VCES Scheme.

Whereas in Bangalore branch they have accepted not claiming cenvat credit for payment of service tax liability under VCES scheme. There is variance in two VCES applications. We are Opinion that VCES application may be disallowed at Delhi branch and company may land up in huge penalty. To that extent there is a contingent liability on the company.

5. company has stopped its business operation since July 2015.

All the above conditions raise substantial doubt about the company , ability to continue as a going concern

Report on other Legal Regulatory Requirement

1. As required by Companies (Auditors Report) Order 2015 (“the order”) issued by the central government of India in terms of section 143(11) of the Act we give in annexure a statement on the matters specified in paragraph 3 and 4 of the Order to the extent applicable.

 - d) Subject to qualification in respect of debtor and stock in our opinion the afore said financial statements comply with the Accounting Standards specified of section 133 Of The Companies Act 2013 read with Rule 7 of the companies (Accounts) Rules 2014.
 - e) On the basis of written representations received from the directors as on March 31, 2015, and taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2015, from being appointed as a director in terms of section 164(2) of the Act
 - f) With respect to the other matters to be included in the Auditors’ Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
